Spanish & Portuguese Church Aid Society,

CHURCH HOUSE, DEAN'S YARD, WESTMINSTER, S.W.1

President . . . Right Rev. Bishop Ingham, D.D.
Chairman of Committee . . . W. H. Patchell, Esq.

THE SPANISH & PORTUGUESE CHURCH AID SOCIETY endeavours to help the work of the native Evangelical Churches, whose members are unable to accept the unlawful terms of Communion imposed by the Church of Rome. Their work is self-denying and progressive. In town and country they have congregations and schools, and conduct Mission Services. Never at any time were the countries so open to their efforts, and they report sympathy where they formerly met open opposition and persecution. Spain and Portugal were for centuries closed to the circulation of the Scriptures. Through the influence of the printed page and faithful Evangelistic efforts the Churches have come into existence, and all who have visited them testify to their zeal and devotion.

CONTRIBUTIONS, which are urgently needed, will be gratefully received by the Rev. C. F. FISON, M.A., Hon. Finance Secretary; or by the Rev. THOS. J. PULVERTAFT, Editorial and Consulting Sec., Church House, Dean's Yard, Westminster, S.W.1.

THE ASHLOCK PARISH PRINTER

A BRITISH INVENTION.

The wonderful Ashlock, not a messy duplicator or stencil machine, but an outfit giving a result akin to actual printing. Do you want a programme for a concert, tickets for an entertainment, a special hymn to put round your Church, any kind of notice or handbill? Then learn about the Ashlock.

The Clergy write of it as a wonder, something they cannot do without, and one of our business Bishops said of it that in time it would be thought a necessary part of the Church equipment in every Parish.

The Guardian says:—We have seen this compact and ingenious invention, have watched the simplicity of its operation, and have been convinced of the wide scope of its usefulness in a parochial organization. It occupies but little space; it is clean in working, and its manipulation can be learned by an intelligent boy or girl in a couple of hours.

It is the invention of an Englishman, Mr. C. Ashton Bullock of *Home Words* Ltd.

The Record says:—Compact, simple to work and "fool proof" in its mechanism, it has won the praise of all. It can print on paper the size of a postcard and it can be equally efficient on a page of 10 by 8 inches. In fact, it can do all that can be desired by the most progressive incumbent who wishes to keep his people in touch with all phases of church life.

The Rev. Wm. Falloon, of Chatham, writes:—"In the last twelve months I have printed 10,714 slips, tickets, and larger sheets. We left one slip of Easter Services at every house in the Parish, 2,500 houses, and a sheet of Lent and Easter Services to every Communicant family—500, and the cost for 3,000 copies in all was 7s. 8½d."

Necessary as part of the Equipment of every Parish

THE CROWDED YEARS

Time rushes by, for most of us, on feet that are very fleet. Duties throng about us for instant performance—engagements are many, and must be kept. We set our teeth, brace ourselves for the effort, conscious that the time is short, and that what *has* to be done must be done quickly. The burden is heavy—but the joy is greater; that is as long as health and strength are given to us in ample measure.

THE VACANT DAYS

No sorrow can be greater than to come to the fateful day when incurable illness and disease put a full stop to crowded activities. Think of it! Health gone, and gone for ever! Employment gone, and gone for ever! Money hardly earned, and gone, too, in vain efforts to regain health and retain independence.

This institution ministers to such men and women, and has done so for well over sixty years. It is a gracious ministry. Are you sharing in it? Our late beloved Queen Mother took a great personal interest in this most beneficent work, it being the FIRST to receive her Patronage in 1863. Will you follow Her late Majesty's example and support it to the utmost of your ability?
