LIVING IN MERCY & GRACE

The life to which Christ calls his followers is one of service, suffering and hardships of all kinds. Those whom he calls into ministry can expect the struggles to be all the more intense. And yet it is through the flames that genuine faith is proved and godly character is formed. At this year's Junior Anglican Evangelical Conference we will consider a number of the characteristics that we all need to cultivate to enable us to face difficult situations with the grace and mercy of our Lord. In the seminars, there will be chance to consider some

issues for ministry and Christian life in more detail, including sessions aimed at those considering ordination in the CofE and at those beginning first incumbency.

ABOUT JAEC

This conference aims to help us be more effective as Anglican evangelicals, making the most of every opportunity to reach the lost for Jesus, build up the church through his word, and send workers into God's harvest field. If you are in Anglican ministry, lay or ordained, and at any stage from exploring ministry through to a first incumbency, you are warmly invited to JAEC. Spouses and families are also very welcome to attend, though we are unable to provide childcare during the sessions.
